Mumbai, Maharashtra

Summary

I am MERN Full Stack web developer with more than 400 hours of building, maintaining and deploying single/eCommerce/social media application. I exercised a calculated and methodical approach to problem solving. I am independently motivated, yet I appreciate team efforts and collaborate productively within groups. Additionally, I am knowledgeable in React.js and Node.js with proficiency in Frontend.

To demonstrate the scope of my capability and professional competencies, please take a moment to review my attached resume and my [PORTFOLIO](#).
